How Grants Are Funded and Governing State Law:
Under State law (RCW 67.28) Grays Harbor County receives funds from taxes imposed on lodging facilities. These funds can be retained; utilized directly by the County for Tourism related marketing, promotions and operations; or, under certain guidelines, allocated to projects and activities established by an eligible entity, under State law. Tourism promotion is defined in the RCW as “…activities and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; operating tourism related facilities; and funding marketing of special events and festivals designed to attract tourists.”

RCW 67.28.1815 Revenue--Special fund--Uses for tourism promotion and tourism facility acquisition and operation. All revenue from taxes imposed under this chapter shall be credited to a special fund in the treasury of the municipality imposing such tax and used solely for the purpose of paying all or any part of the cost of tourism promotion, acquisition of tourism-related facilities, or operation of tourism-related facilities. Municipalities may, under chapter 39.34 RCW, agree to the utilization of revenue from taxes imposed under this chapter for the purposes of funding a multi-jurisdictional tourism-related facility.

Grays Harbor Tourism Funding Criteria:
The evaluation criteria used by the Grays Harbor Lodging Tax Advisory Committee in this grant program is based on State statutes, recommendations of the State Auditor’s Office and prioritizations established by the Grays Harbor LTAC and Board of County Commissioners to protect the long-term stability of the Tourism Fund, while best promoting Grays Harbor’s tourism assets and growing the tourism industry in our community. Major Tourism Project Grant Applications will be accepted from qualifying entities organizing tourism-based events, activities and services within Grays Harbor County, except those that take place within municipalities that are allowed, by law, to collect and manage 3% lodging tax revenues generated within their own corporate limits, or those that do not pay into the County’s Lodging Tax system. It is preferred that grant funding be awarded to help promote tourism generating activities, events and services from October thru May, during shoulder and off-seasons, to generate overnight stays (heads in beds) and increase tourism activity within Grays Harbor County. However, this does not exclude new or existing festivals and events that take place during peak season. Priority consideration may be given to shoulder and off-season activities.

Eligible applicant entities within Grays Harbor County:
1) Businesses, organizations and non-profit entities with a qualifying Tax ID Number
2) Established non-profit 501(c)3 & (c)6 organizations, when related to tourism related facility support and operations.
3) City, County or other Government Agencies (excluding those who collect their own 3% Lodging Taxes, or do not pay into the County’s Lodging Tax system)
4) Tourism Related Facilities and Operations of Grays Harbor County

*Note: To be eligible the applicant must have an established and current State/Federal Tax ID Number.

Eligible Expenditures:
1) Multi-media (newspaper, magazine, television, and radio).
2) Design and print of posters, flyers, brochures, and banners.
3) Other event specific promotional materials.
4) Internet advertising.
5) Those elements specific to the activity that are viewed as an attractant to potential participants and tourists.
   a. Example: entertainment, educational speakers, prizes, awards.
6) Those elements specific to an activity deemed necessary to support the infrastructure and/or operation of the activity and accommodate the interests and public health & safety needs of potential tourists.
7) Permanent signage related to tourism draws and/or assets that are deemed to generate or support future tourism activity.
8) Salaries, wages and benefits specific to the project, activities, or service(s) specified within the grant request, only as allowed by applicable statutes and RCW’s that govern the use of Lodging Tax funds. (If you intend on including such costs within your grant application, please contact Grays Harbor Tourism staff to ensure that your intended use of such funds will qualify.)

**Ineligible Expenditures for Grant Program:**

1) Capital and general organizational operating/administrative costs not directly related to the event.
2) Items for resale.
3) Newspaper, Television and radio advertising that cannot be proven to reach significant and relevant markets outside of 50 miles from the festival/event location.

All eligible applications are reviewed by the Grays Harbor County Lodging Tax Advisory Committee (LTAC). The LTAC is charged with providing recommendations to the Grays Harbor County Commissioners. Applicants will be informed by Grays Harbor Tourism staff about the status and decision regarding their requests.

There will be a maximum amount of up to $125,000 available, in this specific grant category, upon Board of County Commissioner approval of the funding, within the annual County budget process. Applicants may request up to that amount, but may be offered an award less than the amount requested. Preference may be given to events that have secured matching funds from other donors/organizations. Preference may also be given to events funded three years or less by this grant program. However, there will not be an automatic, reduced cap as to the funding amount for events applying in their fourth year or beyond.
